

**1st International Conference on Material,
Design Innovations, and Energy Systems
Optimization for Industrial Applications
(ICMDESO 2025)**

Organized by

Department of Mechanical Engineering

Anil Neerukonda Institute of Technology and Sciences, Visakhapatnam.

28th & 29th March 2025 (Hybrid Mode)

ICMDESO 2025 – Conference Presentation Rules

1. **Presentation Mode:** Participants must present their papers in the allotted session (either online via Google Meet or offline at the venue).
2. **Presentation Time:** Each presenter will have 8-10 minutes for their presentation, followed by 2-3 minutes for Q&A.
3. **Presentation Format:**
 - Use PowerPoint slides (PPT) with a clear and professional layout.
 - Slides should include title, objectives, methodology, results, conclusion, and references.
4. **Language:** The presentation should be in English.
5. **Technical Setup:**
 - Online presenters must ensure a stable internet connection, clear audio, and proper video setup.
 - Offline presenters should check compatibility of their presentation format with the available setup.
6. **Timing & Punctuality:** Presenters must join/log in at least 15 minutes before their session starts.
7. **Q&A Interaction:** Be prepared to answer questions from the session chair and audience within the given time frame.
8. **Code of Conduct:**
 - Maintain professionalism and academic integrity during the presentation.
 - Avoid plagiarism and acknowledge all references.
9. **Certificate Eligibility:** Only presenters who complete their full presentation and attend the session will receive the participation certificate.
10. **Backup Plan:** Have a backup of your presentation on a USB drive (for offline presenters) or cloud storage (for online presenters) in case of technical issues.

Convener – ICMDESO 2025

***For any queries, feel free to contact the organizing committee.
Looking forward to insightful presentations!***
